- Placing an extra tent is allowed, provided you stay within the appointed lot of 6m by 4m.
- Only vehicles that are registered as 'camping vehicle' are allowed. This excludes temporarily converted vehicles with a mattress inside.
- Caravans or campers over 6m in lengths are not allowed.
- Cars are prohibited on the terrain. If the car is needed to put the caravan on the right spot, a deposit may have to be paid to ensure you also drive the car back. The deposit will be returned to you when you leave the terrain with the caravan on Monday. It is not possible to claim your deposit after that.
- The general camping regulations also apply to the caravan and camper zones.
